

EMAIL

Currently, Tempest Technologies, LLC does not restrict file size of individual email mailboxes, nor enforce a maximum transfer size limit of any one message. Tempest Technologies, LLC reserves the right to impose such restrictions, with notice, at its sole discretion. Large individual email mailboxes will negatively impact service quality and clients are encouraged to keep individual email mailboxes as small as practical. Tempest Technologies, LLC reserves the right to reject or filter email based on source address and content. Examples are, but are not limited to, virus filtering, SPAM filtering and blocking open relay mail servers.

- Any unsolicited e-mail, whether commercial or otherwise, including, but not limited to, bulk mailing of commercial advertising, informational announcements, and political tracts.
